

## Sewer Rates

EFFECTIVE FOR BILLS RENDERED ON OR AFTER APRIL 1, 2021

### SCHEDULE A – Metered and Non-Metered Rates

Service at the schedule of rates listed below is available to any customer served by the sewage collection, conveyance, and/or treatment system of the Authority, except those to which another rate is specifically applicable:

#### CONSUMPTION CHARGES

The Consumption Charges are based on measured water usage on a per thousand gallon basis, or as bulk from a master meter, or estimated or adjusted for non-metered water. The rates are broken into three rate categories according to whether the sewer is transported through the City's sewage collection system.

The following rates are charged to the City customers directly by the City of Lebanon Authority for collection system, conveyance, and treatment costs.

##### City Customers

<b>Rate Block</b>	<b>Rate per</b>
<b><u>Gallons / Quarter</u></b>	<b><u>1000 Gallons</u></b>
<b>All Consumption</b>	<b>\$4.85</b>

The following rates are charged to the municipalities for conveyance and/or treatment costs to the municipalities. The municipalities charge their own customers additional fees for operations and maintenance of their municipal sewer systems.

##### **Outside Municipalities - Connected to City Sewer Lines** (conveyance and treatment)

*[Heidelberg, North Lebanon, South Lebanon, & West Lebanon Townships]*

<b>Rate Block</b>	<b>Rate per</b>
<b><u>Gallons / Quarter</u></b>	<b><u>1000 Gallons</u></b>
<b>All Consumption</b>	<b>\$3.70</b>

##### **Outside Municipalities - Not Connected to City Sewer Lines** (treatment only)

*[Cleona Borough, Cornwall Borough, North Cornwall Township, South Annville Township, West Cornwall Township]*

<b>Rate Block</b>	<b>Rate per</b>
<b><u>Gallons / Quarter</u></b>	<b><u>1000 Gallons</u></b>
<b>All Consumption</b>	<b>\$3.55</b>

## CUSTOMER CHARGES

The Customer Charges are a flat fee (non-consumption base charge) for monthly or quarterly customers for a portion of the fixed costs to operate the sewage treatment plant as a ready-to-serve or standby cost to provide sewage treatment to the customer. The rates are applicable to all users of the sewage treatment plant.
