

**GLONINGER WOODS PARK PARTNERS PROGRAM****PARK PARTNERS - ADOPT-A-BENCH PROGRAM**

The Adopt-A-Bench Program is for someone who wishes to adopt a Park Trail Bench in memory or honor of a loved one, or to celebrate a special event or achievement. An adopted Park Trail Bench is a tribute and a lifetime memorial gift in their honor. An adopted Park Trail Bench can acknowledge a celebratory event such as a birthday, anniversary, or any special occasion.

A Park Trail Bench, which will be a perpetual memorialization, can be adopted with a tax-deductible contribution, and chosen from one of the existing benches within the Gloninger Woods Park, located at 22<sup>nd</sup> and Chestnut Streets in North Cornwall Township. A choice from one of the existing Park Trail Benches will be on a first-come reserved basis.

In recognition of the Donor's tax-deductible gift, North Cornwall Township will install a personalized, engraved permanent plaque on their chosen Park Trail Bench.

A Park Trail Bench may be endowed for the tax-deductible amount of \$600.00. Donor contributions will help fund the costs of the installation of the Park Trail Benches, as well as the perpetual maintenance of their adopted bench.

North Cornwall Township offers contribution installment options. The tax-deductible donation of \$600.00 for the Adopt-A-Bench Program can be made in full, or as a three-year installment payment plan. A three-year installment plan would require an initial \$200.00 payment and two remaining \$200.00 payments by June 30<sup>th</sup> of each year.

The Park Trail Bench plaque will be 3" by 8" long, dark brown with white lettering, and will be permanently mounted on the top bench board. After the application is completed and submitted with payment, it will take approximately four weeks until the plaque is delivered and mounted. North Cornwall Township will maintain the park trail bench and mounted plaque to ensure it remains in good condition.
