**INTRODUCTION TO
NORTH CORNWALL TOWNSHIP’S
GLONINGER WOODS PARK
AND THE
PARK PARTNERS PROGRAM**

The new Gloninger Woods Park is located on 22nd Street, between Walnut and Chestnut Streets.

The name Gloninger was chosen because, dating back to the mid 1700's, the Gloninger family owned the land known as the Pleasant Hill section of North Cornwall Township. The Gloninger Woods Park land was originally part of the early 1900's Gloninger family Pleasant Hill Development.

The Park's primary construction began in 2015 and will be completed in 2016, but additional amenities are planned to complete and enhance the facility for all park visitors. Plans call for a children's playground area, permanent restroom facilities, youth baseball field, player benches with enclosed fencing, batting cage, spectator bleachers, pavilions, trail benches, picnic tables, volleyball court, a concession stand, basketball court, water and electric services, and a park maintenance building.

To assist with the funding of the above projects, the Township and Recreation Board have established the "Park Partners Program". This Brochure outlines the program's various private and business funding options. **All donations are tax-deductible.**

Please contact the North Cornwall Township Manager at 717-273-9200 for more information.
