

**GLONINGER WOODS PARK PARTNERS PROGRAM****PARK PARTNERS - ADOPT-A-BLEACHER PROGRAM**

The Adopt-A-Bleacher Program is for a business, individual or group who wish to adopt a Spectator Bleacher located along the two little league baseball fields and soccer field. The financial sponsorship of a spectator bleacher demonstrates your support of the Park, and the Community's little league youth baseball and soccer programs.

An adopted Spectator Bleacher advertisement can promote a business, show support of youth sports, or celebrate an event such as a birthday, anniversary, or any special occasion.

A Spectator Bleacher can be adopted with a tax-deductible contribution, and chosen from one of the baseball or soccer field locations within the Gloninger Woods Park, located at 22nd and Chestnut Streets in North Cornwall Township. The choice locations will be on a first-come reserved basis.

In recognition of the Donor's tax-deductible donation, North Cornwall Township will install two personalized signs on the selected aluminum spectator bleacher unit.

A Spectator Bleacher may be endowed for the tax-deductible amount of \$1000.00 and will reserve the Donor's choice of bleacher and location. Donor contributions will help fund the costs of the installation of the bleacher, as well as the continued perpetual maintenance of their adopted bleacher.

North Cornwall Township offers contribution installment options. The tax-deductible donation of \$1000.00 for the Adopt-A-Bleacher Program can be made in full, or as a three-year installment payment plan. A three-year installment plan would require an initial \$500.00 payment and two remaining \$250.00 payments by June 30th of each year.

The Spectator Bleacher signs will be 12" by 18" long, and will be permanently mounted on the bleacher. After the application is completed and submitted with payment, it will take approximately four weeks until the sign is delivered and mounted. North Cornwall Township will permanently maintain the bleacher and mounted sign to ensure it remains in good condition.

INTERESTED DONORS MUST COMPLETE THE APPLICATION FORM ON THE BACK PAGE
