

NORTH CORNWALL
TOWNSHIP

BURNING PERMIT APPLICATION

Date of application: _____

PERMIT #: _____

Name of applicant: _____

Property address: _____

Phone number: _____ Acres of contiguous land: _____

Location of burning site (if different from above): _____

This burning permit must be renewed with the North Cornwall Township office one year from application date!

Burning is permitted between the hours of 7:00AM and/or sunrise to 7:00PM and/or sunset, which ever comes first under any conditions.

This permit is being issued for an open burn, which will allow the burning of yard waste materials from fence clearings, brush, shrubbery/tree trimmings, limbs, branches, weeds, dead plants, garden residues and other similar materials. The burning of poisonous plants, including poison ivy, poison oak and so on, is ***strictly prohibited!***

The burning of all recyclable materials is **prohibited** at any time. These materials include all paper products, tissues, napkins, carbon copied checks, old receipts, magazines, plastic, aluminum, garbage waste and other recyclable materials.

NOTE: The applicant MUST NOTIFY Emergency Management Agency, (717) 272-2054, prior to any ignition.
